Title: Portable Sink with Internal or Optional External Water Supply

Attachment to form PTO/SB/61 "Petition for Revival of An Application For Patent Abandoned Unavoidable Under 37 CFR 1.13 (a)"

DECLARATION of Joseph K. Mosis
for Portable Sink with Internal or Optional External Water Supply.

In response to the correspondence titled "Notice of Abandonment" dated 24 June 2003 regarding the "failure to timely file a proper reply to the office letter mailed on 09 April 2002" I hereby state the Following:

*The Response of Office Action Summary for April 9, 2002 was delivered to your office on 7/12/02.

* Attached is the Federal Express Tracking Receipt showing that FEDEX delivered the package on 7/12/02. The package was sent by Fed Express on 7/5/2002 however federal express had difficulty delivering it. They finally succeeded in delivering the package on 7/12/02 and it was signed by "T. Carroll". This constitutes sufficient evidence that a timely response was made to the office action mailed April 9, 2002.

* On January 13, 2003 a copy of this proof was faxed to your office Attn: "Anissa Devlin" fax No. 703 308 7766 "Copy Attached". After several communications with your office by Fax and Phone It was agreed that the notice of abandonment will be withdrawn due to proper filling.

*Regarding the mailing address The patent was originally filled with my name and an "in care of address" I was processing my own patent but using a different address as a mailing address to ensure that I will receive all correspondence regarding the patent in a timely manner.

*Attached is the proper completed form to change the correspondence address to my current home mailing address.

"I hereby declare that all statements made herein of my own knowledge are true and that all statements made on information and belief are believed to be true; and further that these statements were made with the knowledge that willful false statements and the like so made are punishable by fine or imprisonment, or both, under Title 18, United States Code, Section 1001, and that such willful false statements may jeopardize the validity of the application or any patent issued thereon."
